

bt-cocktail® Retail Kit

SKIN TYPE: ALL SKIN TYPES

This kit contains full 1 ounce sizes of the three part bt-cocktail® system for an intensive skin boost against environmental assault, oxidative stress and the signs of premature skin aging. When used together, the complete system will help brighten, firm and hydrate the skin, and is designed to replace your existing toner, serum and moisturizer during the intensive support phase.

- Energy 1: Bright is a lightweight, brightening serum that helps to balance skin tone, defend against free radical damage and calm the skin for optimum resilience against environmental assaults.
- Energy 2: Firm is a lightweight, firming gel serum helps to restore healthy looking skin texture while encouraging superior hydration levels.
- Energy 3: Smooth is a smoothing cream serum formulated with two next generation peptides to help reduce the appearance of premature skin aging while helping to restore optimum skin texture.
